Re: Notice of Ex Parte Presentations, Application by Verizon-New Jersey for
Authorization to Provide In-Region, InterLATA Service in the State of
New Jersey, CC Docket 01-347

Dear Mr. Caton:

On Friday, March 8, I spoke on the telephone with Dorothy Attwood, Chief of the Common Carrier Bureau. During this conversation, I emphasized AT&T's concerns with Verizon's non-recurring charge for hot cuts and the deficiencies of Verizon's OSS in New Jersey. In addition, I reiterated the fact that Verizon had filed an incomplete application with the Commission and objected to the establishment of a supplemental comment period for responding to the March 6, 2002 *Final UNE Rate Order* issued by the New Jersey Board of Public Utilities on due process grounds.

Pursuant to Commission rules, I am filing one electronic copy of this Notice and request that you place it in the record of this proceeding.

Sincerely,

A handwritten signature in black ink that reads "Robert W. Quinn, Jr." with a stylized flourish at the end.

cc: Dorothy Attwood
